Hi Dianna:

I wanted to thank you and Boston's Best Bartending for once again providing superior service and professionalism to my committee and our guests! Tom, John and Jon were fantastic as always! More than a vendor, you have been and continue to be a valued partner in our event. Thank you so much!

2018 will be our 20th Anniversary Season. We have already begun thinking about our 2018 Reception and have big plans for it! We would, obviously, like Boston's Best to be part of those plans. We would like to reserve your services for Friday, November 16, 2018, 6:30pm - 9:00pm.

Thank you again!

Hi Dianna,

Thank you, thank you for sending us Nancy! She was awesome!

We couldn't have had a better bartender! Nancy was professional, friendly, helpful, and obviously experienced at her job. Seeing that she was capably handling everything at the bar, my husband and I were able to fully enjoy the time we had with our guests during the evening.

Additionally, Nancy effectively took care of set up and clean up and before leaving, even had a few great cooking tips about how to use some of the opened left-over wine!

We're so glad we called Boston Best Bartenders for our party. We would definitely do it again in the future and would absolutely request Nancy as our bartender! We will also happily recommend your service to others.

Our thanks to you as well for making it easy to arrange for BBB's service, answering my questions, and sending us Nancy! It was a pleasure working with you both!

Sincerely,

Judy

Hi Dianna,

The evening was a huge success and your staff were key contributors to that.

I arrived a few minutes late and when I got there, found that they were already at work organizing the bar areas. They were friendly and professional and lent a hand to anything we needed, including setting up & manning a quick welcome drink table. They were a pleasure to work with!

Please thank them again for me and we'll look forward to working with you in the future.

Hi Dianna,

Thanks for following up!The party was fantastic and everyone had a great time. Sean and Tina were wonderful with the guests and a pleasure to work with! Tina made a delicious rum punch for the signature cocktail. My only suggestion is that they may want to arrive a little bit earlier for set up so they don't have to work so hard/fast before the guests arrive – but that's totally up to them!

Thanks for sending me such great bartenders – look forward to working with you on another event!

Hi Dianna,

Sean was incredibly helpful and professional. A couple of our Friday dinner committee members were a bit under the weather while we were setting up; Sean was full of great suggestions (and help) for setting things up. I could not have done Friday without the assistance of both Sean and the catering manager.

Classmates have been telling me this was the "best reunion ever". I think the easy flow of the bar, the food and the ice cream pie and Sundays started us off on the right foot.

It was certainly a pleasure working with you and Sean as well!

Thanks for the follow-up! The night was a huge success and Tina and Tom were terrific! While we probably could have gotten away with just one bartender, they were super helpful with the food that was out as well and helped clean up a bit and move things around as food was eaten, etc. It was super helpful to look over and see them taking care of it when the bar was slow!

We really appreciate all that they did and will definitely be in touch for future events.

Last night's event was a huge success and Tina was terrific! Everything went so smoothly and I appreciated knowing that I didn't have to worry about the bar service. I especially appreciated her call to me earlier to introduce herself and confirm her role as the bar tender for the event. We had a nice discussion and I felt very comfortable and eager to meet her. She is so pleasant and a great representative of Boston's Best Bartending. I would certainly recommend her and, without hesitation, the services and advantages of engaging Boston's Best Bartending. Thank you and Tina for handling this very important part of my very important fundraiser! It certainly was a win-win!!

Hello Dianna,

My name is Martha Muldoon and I was part of the organizing group for a High School reunion held in Weston on June 18th. My classmate, Cari Burkard, arranged bartending services with you for our 40th Class reunion.

Thank you for your last minute availability for our event. A miscommunication resulted in us not realizing we needed a licensed bartender until very late in the planning process. We are grateful you came through for us. Additionally, and my primary reason for writing, is to sing the praises of our bartender Nancy who did an outstanding job meeting our needs on a very hot night. Not only was she capable and professional behind the bar, but her customer service and personal attention really made a difference in the success of our party.

Nancy was attentive, friendly, and very flexible with what was available to work with. I personally observed her going the extra mile in terms of keeping everyone refreshed and happy and meeting some individual requests in a humid hall with no air conditioning. She set up and cleaned up with no fuss and her self-sufficiency made our lives much easier. Nancy is an excellent fit for her job and we wanted to let you know she exceeded our expectations.

Thanks again, we would recommend your company - and specifically Nancy - again.

best wishes, martha

Tina was terrific! She appeared to already know a good half of our guests personally, greeting people by name (or mentioning their favorite drink), etc. I loved how calm and confident she is, too – I didn't have all the beverages up and ready to go, and she was just fine with going down to our basement refrigerator, loading up a cart full of soda, beer, etc. and hauling it up. At the end of the party, she put all the leftovers away as well. And it was really helpful that she called me before the party to plan for ice, etc.

You guys really helped make the party run smoothly for us. Thank you very much!

Dianna,

Tina was simply terrific. She was on time, prepared, friendly, and professional. Her service was excellent – people loved the mixed drinks she made and she worked productively when it got busy. She somehow quietly took down and left at the end of the evening in a manner where it seems like she and all of her stuff just disappeared, which was nice since we still had a good crowd on hand and they were not disrupted by her departure.

Outstanding job Dianna. Thanks so much.

Paul was great and the evening was a total success! I wasn't there for set up but the tables were all there and the linens looked great. Paul was thoughtful about not having too many wine bottles soaking in ice for too long so I was able to be reimbursed for unopened bottles. I would definitely recommend your company to my many friends who asked about who I used for the party.

Hi Dianna, so great that you wrote! I have a big note in the kitchen saying "Call Dianna". Ursula was wonderful at the party, and I wanted to rant and rave about her for a while. She makes a great presentation for a party of this style (it ended up being a daughter's graduation from medical school in combination with the same daughter's engagement party, so it was quite the event). Ursula was professional, efficient, and very friendly. Who could ask for more in a bartender? I wanted to make sure you knew this, because you know I'm kind of a fussy budget about service and attitude. They kept her madly busy during the party, and she probably told you that the party was aimed for 40 and we figured there were 65+ who showed up. We ran out of food for the first time in our careers, but luckily had made luncheon for the following day for the same client, so we dragged that out and fed the hungry hordes. I don't believe Ursula got any food; we sure didn't. She was still there when we left at 8:30, looking busy. She did a fantastic job!

Look forward to working with you again in the future, and you know that I will request Ursula.

My best,

Dianna,

The event was a terrific success, and Paul was outstanding. He arrived early, stayed late, and mixed hundreds of cocktails (he did not open one bottle of wine all night!). He also happens to be a very nice guy.

Thanks for all your help.

Hi, Dianna ~

I continue to get rave reviews about our party on Friday night at the Depot. Regis was professional, pleasant and the perfect person for the job. I was very glad that we used the drink ticket method. It worked smoothly and made things easier for Regis, I'm sure.

I would certainly recommend your company to others looking for bartending services.

Best regards,
