Hi Dianna,

I wanted to thank you for sending such competent, professional and sweet bartenders. I'm sure it may have been boring for them since we don't do a full type of bar but they were a class act that we'd be glad to have back any time. Also, appreciate you checking in on how it went.

Have a great holiday season. We'll do a smaller event in the summer so you'll be hearing from me.

Thanks,

Tamara Ball
