Hi Dianna,

I would like to say how happy we were with Paul's performance. He was a true professional and extremely helpful. I gave him blue Hawaiian punch, lemonade and vodka and asked him to make some punch and some without vodka and he did a fantastic job!!! Everyone loved the punch. He had the whole bar area set up before I knew it without any direction from me. He was a big help. And when the party was over he had it all cleaned up, before I knew it, and that was so helpful. I think he even helped with the total clean up. He's a great guy! I have to say I wasn't happy with having to hire a bartender at first, but so glad he was there. It truly left me with no worries about the drinks. Tell him thanks again and I will be recommending your company to my friends and family.
