Subject: RE: Customer service follow up from June 28

Hi Dianna,

Thank you for reaching out; I planned on doing so today.

Tanya was AMAZING! People could not stop complimenting her to me, how nice, professional, how great she is, etc. We could not have been any more pleased with her service and attention to detail. If we have another event in the future that requires a bartender, we definitely want her as our bartender.

Thank you again for everything!

Best,

Marni Dunton
