Dear Dianna,

On behalf of the 2003 Samuel Adams Salute to Summer, thank you very much for the wonderful service you provided last week. Your staff was professional, and they provided a strong support system to our management team.

Your contributions enabled our guests to enjoy the clambake...despite the dreary weather. In addition, your efficient service and positive attitude made sure that our client was pleased.

Thanks again from all of us at Conventures. We hope to work with you again soon.

Sincerely,
