Subject: RE: Customer service follow up from February 27th

Hi Dianna,

Jen was awesome. The event went very well and the turnout was greater than expected. Jen was very helpful, attentive, and really connected with the clients and employees. She knew quite a bit about pairing the wines we had chosen with the chocolates. On one occasion, she had noticed a client loved a particular wine so much she had given the client the cork as a reminder so she could purchase it on her own. We would definitely love to have her again sometime. It will be hard to choose between her and Kim because they are both so great!

Thank you!

Carla
