Subject: Re: Customer service follow up from November 14

Hi, Dianna,

Thank you so much for following up. Tom was awesome! Turns out he had bartended events at St. Paul's Cathedral in the past, so was more familiar with the layout than many of us. He knew the best way to set us up, was personable with our guests and just all around great to work with. We will call you again!

Kind regards,

Myra Anderson
