Hi Dianna,

Just wanted to write a quick note and say thank you for helping us out with our Monday event. It went really well, besides every other vendor besides you guys being late, and me forgetting to buy ice and mixers! I'm blanking on the name of the woman who was here but please tell her personally that we all loved her and would love to have her at our next event (whenever that may be). Thanks again and I'll be sure to recommend you guys around town if anyone is looking.

Cheers,

Tracy
