Subject: Re: Customer service follow up from October 12

Dianna,

Thank for for your services on Saturday. The event went off without a hitch.

Could have used a little less wind...from the Nor'easter...but all was fun.

Please do give Tom our thanks. He couldn't have been more kind, helpful and understanding from beginning to end. Clearly a professional. But on top of it all, a really nice person. You have a good one!

Cheers and thanks,

Chris
