Dear Dianna:

I wanted to thank you again and commend you on your excellent bartending service. Paul was hired for our 2-night film festival and he went well above and beyond the call of duty. It was a very busy night for me with so many things going awry, but one thing I didn't have to worry about was the bar! I was a little concerned, since we had had such a wonderful experience with Angelo last year that it wouldn't be the same without him this year, but you didn't steer me wrong. Paul was everything you promised. I really have to admire someone who can step up to the plate during our many catastrophic moments!

Again, you run an amazing service and I will definitely recommend you to anyone needing a bartending service. I myself am never going to use anyone else! Thanks so much again.

Sincerely,

Cat Bryant
