Dear Dianna,

The Multicultural Arts Center in Cambridge is pleased to write this letter of recommendation for the services provided by Boston's Best Bartending at our venue. We consistently have professional and considerate servers who are always on time and prepared to work with our diverse clients and the variety of events at our venue.

We appreciate the professional, efficient, and trustworthy staff of Boston's Best Bartending. We can always rely on the staff to make the proper decision when serving alcohol and to properly handle any situation that may arise during an event.

We never hesitate to recommend Boston's Best Bartending to our clients and to others who are looking to acquire a bartender for an event. Thank you, and we look forward to working with you in the future.

Sincerely,

Donna M. Keefe
