Dear Ms. Kinosian:

Just a little note to thank and honor one of your staff, Regis, who was our fabulous bartender. We recently held a cocktail party at Arlington's Whittemore-Robbins House to celebrate ConSone Academy, an urban middle school for at-risk girls slated to open in Boston. The combination of ConSone, our hosts, the Keshians, the venue, and our guests truly made for an extraordinary evening. Regis was especially integral to the social success, and we just wanted to acknowledge him. His personality, presence, and professionalism were a delight. He is a class act!

When an event is successful, it's because of the people—Everyone's boss should hear about it! Our event was that and more—We wanted to sing the praises of Regis.

Sincerely,

Anne Connolly and Helene Tassone
