Working with Dianna and Boston's Best was the best decision I made for our recent event. From the moment the crew arrived, they rolled up their sleeves and began to set up. Within a very short time, all four bars were set up and operational. As I watched them interact with each other and their thirsty customers, it was plain to see that they were consummate professionals. It is rare to get this level of competence combined with pleasant and personal service.

There were a lot of things to worry about on the night of the event; fortunately, the bar was not one of them. It was a pleasure to deal with Boston's Best, and I would highly recommend them for any size gathering or event. Thanks, Dianna!

Sincerely,

Peter McGowan
