Subj: RE: Follow up from Mullen Advertising Event...

Good Morning Dianna,

Thank you for following up as I would like to go over a few things with you.

First off, I cannot thank you enough for your patience, understanding and flexibility. There were definitely many cooks in the kitchen with this event and I sincerely appreciate your patience with us when we changed dates/time etc.

Second, the event went off without a hitch. Kim was fantastic. She kept all our guests with drink in hand and kept a smile on even when it seemed that the entire agency was in front of her demanding drinks. She was amazing. Very professional and courteous. I can't say enough positive things about her.

Lastly, I am very pleased and happy to found you guys. I will definitely be reaching out to you for any future events in the Boston area.

Thanks so much Dianna. Look forward to working with you again very soon!
